

[Speaker 1]

Well, the problem about...the great thing about being young is you have more time. You have more time

[Speaker 2]

I used to play cowboys and Indians.

[Speaker 2]

Will you fall in love?

[Speaker 1]

And what will it be like? I don't know. Like, with a baby, they'll be like fun, all

[Speaker 1]

Yes. That's what I like about being young. I could use my imagination more. That's that story. I

[Speaker 1]

Even though all I had to change is like, they'll be fun. But what about the cries? Oh,

Even though I'll have to change his diaper

[Unknown Speaker]

My mom. Your mom? You're dad?

[Speaker 1]

I like my...I like my family. Did you fall in love? What was it like?

[Speaker 1]

No, unfortunately my partner, she passed away as she died.

[Unknown Speaker]

Unfortunately. That was a safety. She got sick.

[Speaker 1]

What was it like? Yes.

[Speaker 2]

It was different for me.

[Speaker 2]
These things happen, sure. That's life.

[Speaker 1]
But we have very good memories. Very good memories. And you live... And often the time you live

[Speaker 1]
is you don't have to be rich, to be happy? Do the things you like doing that make

[Speaker 2]
Because when you're happy yourself, everybody else is happy.

[Speaker 1]
Very good memories. And you live... And often the time you live in your head with memories. You

[Speaker 2]
And that's the important thing. Well, if I so would give to you, Sean,

[Speaker 1]
Like, act normal. Don't be silly. Don't bully lots of people. The people I know in school, like

To like, act normal

[Speaker 1]
Oh, that's a good advice. And be yourself. Don't let other people tell you what you should be.

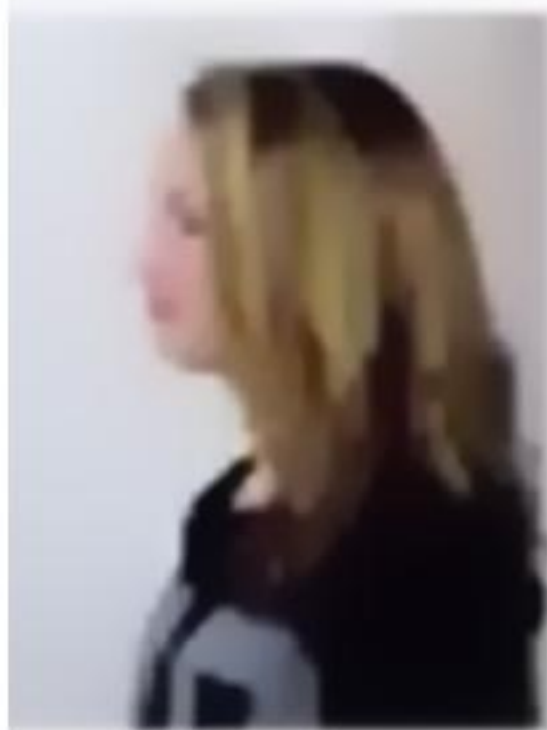

[Speaker 2]
Just be as you are, is not true. And I'm sure your life is going to be very

It might not work but..

[Speaker 2]
And I'm sure your life is going to be very successful. You have all the right things to

[Speaker 1]
And keep life going. Oops, there you go.
