

I don't know where the question is.

sat down a 7 year old and a 64 year old to ask each other questions about growing up.

It's also pretty...it's...it's like in the middle.

Not being able to do things that you could do when you were young.

Like in...in school, like in the middle of that I'm good. What is the worst thing about being old?

Like, you can't bend down and get stuff on the floor?

Well, I can still do that.

But the problem is your body gets stiff.

I know it hurts a lot when you've got that one. That's right, yes. You might get sick more often.

Hopefully I don't. But that's the problem. Pretty bad.

The only time I went to a hospital is my mom to get me born.

It is pretty bad.

Oh, yeah. Do you wish you were old?

So I can like, voice stuff from my own and have a day and have been married.

Maybe. Like, so I was old and I...

But...no, be you. Do you wish you were young? Why?

Well, the problem about...the great thing about being young is you have more time.

You have more time to do things.

Oh, well... It doesn't like
etch here and do I much?
And who do you love now?

I'll just sing like Ed Sheeran to him

My mom. Your mom?
You're dad?

Who do you
love now?

I like my...I like my family.
Did you fall in love? What
was it like?

Yes.

It was
different for
me.

I fell in love with her.
And did you get married?

No, unfortunately my
partner, she passed away
as she died.

Because when you're happy
yourself, everybody else is
happy.

Do the things you like
doing that make you feel
good.

Like, act normal. Don't be
silly. Don't bully lots of
people.

To like, act normal

Sean, do you have advice
for... for death?

The people I know in school,
like my friend, out in
school.

Whenever he gets hurt,
I hug him. I might not
be able to work.

Don't let other people tell
you what you should be.

Just be as you are,
is not true.

Oh, that's a good
advice. And be
yourself.

And I'm sure your life is going to be very successful. You have all the right things to do.

Oh, you're good friends. And keep those friends going.

And keep life going. Oops, there you go.
